13 § 7722. APPEAL WITHIN THE AGENCY; HEARING OFFICER; GRANT
14 OF PETITION; STAYS

15 (a) Option; scope. Within 15 days of the date of an act or decision of the
16 Agency made under the provisions of law listed under subsection 8503(a) of
17 this title other than chapter 64 (potable water supply and wastewater) of this
18 title, the Secretary or any person aggrieved by the act or decision may petition
19 for administrative appeal of the act or decision within the Agency.

20 (b) Appointment of hearing officer. On receipt of a petition for an
21 administrative appeal, the Secretary shall appoint a hearing officer to

1 ~~determine whether to grant the petition and, if the petition is granted, to~~
2 conduct the administrative appeal.

3 (1) In connection such a petition, the hearing officer shall not
4 communicate, directly or indirectly, in connection with any issue of fact or
5 issue of law with any person aggrieved, other party, or the Secretary, except
6 upon notice and opportunity for all parties to participate. The hearing officer
7 may solicit the advice of one or more personal assistants.

8 (2) A hearing officer appointed under this section shall be able to carry
9 out all duties assigned to the officer without being subject to any retaliatory
10 action.

11 (c) Grant of petition. The hearing officer shall grant a petition to hear an
12 administrative appeal if the officer determines that one of the following
13 applies:

14 (1) The petitioner:

15 (A) made a comment during the comment period, if one was
16 provided, and the petition relates to the comment; or the petitioner shows that
17 there was a procedural defect that prevented the petitioner from commenting;
18 and

19 (B) presents specific allegations based on the administrative record
20 that, if taken as true, would show that the act or decision should be reversed
21 under the standards of review in section 7723 of this title.

1 ~~(2) The petitioner presents specific allegations that, if taken as true,~~
2 would show that the applicant provided false information or omitted material
3 information that was or came into the applicant's possession prior to the close
4 of the comment period.

5 (d) Information in application. In the case of an appeal by the applicant,
6 the hearing officer shall consider information contained in the application to be
7 a comment made during the comment period.

8 (e) Stays. Acceptance of an appeal under this section shall automatically

18 whichever is earlier.

19 § 7723. NOTICE; REVIEW; DECISION

20 (a) Notice. When the Agency grants a petition for an administrative appeal
21 under this subchapter, the Agency shall notify the petitioner of the grant and

1 ~~shall provide notice of the appeal in the same manner as for notice of a final~~
2 decision under section 7704 of this title.

3 (b) Hearing officer; final decision. A hearing officer appointed under this
4 section shall have authority to issue a final decision.

5 (c) Conduct and standard of review. A hearing officer shall conduct an
6 administrative appeal by reviewing the administrative record, except as
7 provided by subsection (d) of this section. The hearing officer shall provide
8 parties with an opportunity to submit written memoranda and present oral
9 argument. The hearing officer shall apply independent judgment in deciding
10 the appeal. The hearing officer shall affirm the decision of the Agency unless
11 the hearing officer determines that the administrative record does not support
12 the decision or that the decision is contrary to law.

13 (d) Additional information.

14 (1) The hearing officer may consider additional information not
15 included in the administrative record only under one of the following two
16 circumstances.

17 (A) A person aggrieved persuades the hearing officer, after
18 reasonable opportunity for other parties to comment, that additional
19 information will materially further the Agency's understanding of the
20 application or general permit. The hearing officer shall not allow additional
21 information under this subdivision (1) unless the person aggrieved:

1 ~~(i) commented on the permit during the comment period, if one~~
2 was provided, or the person shows that there was a procedural defect that
3 prevented the person from commenting;

4 (ii) provides the additional information at the time the person files
5 the petition for the appeal or requests to be a party to the appeal; the additional
6 information provides expert opinion; and the additional information is related
7 to the person's comment during the comment period, if one was provided; and

8 (iii) certifies that the information was not available until after the
9 close of that comment period.

10 (B) A person aggrieved persuades the hearing officer, after
11 reasonable opportunity for other parties to comment, that the applicant
12 provided the Secretary with false information or omitted information that was
13 in the possession of the applicant before or during the comment period, if
14 provided to the Secretary, may have caused the Secretary to reach a different
15 decision than the one reached by the Secretary.

16 (2) If the hearing officer determines to consider additional information,
17 the hearing officer shall conduct the proceeding as a contested case under
18 3 V.S.A. chapter 25.

(a) Rules.

(1) Implementing rules. The Secretary may adopt rules to implement this chapter.

(2) Complex projects; preapplication process. The Secretary shall adopt rules to determine when a project requiring a permit is large and complex. These rules shall provide that an applicant proposing such a project, prior to filing an application for a permit, shall initiate a project scoping process pursuant to 3 V.S.A. § 2828 or shall hold an informational meeting that is open to the public. The rules shall ensure that:

(A) Written notice of an informational meeting under this section is sent to the owner of the land where the project is located if the applicant is not the owner; the municipality in which the project is located; the municipal and regional planning commissions for any municipality in which the project is located; if the project site is located on a boundary, any Vermont municipality adjacent to that boundary and the municipal and regional planning commissions for that municipality; and each adjoining property owner. At the

time this written notice is sent, the Secretary also shall post the notice to the environmental notice bulletin.

(B) The notice to adjoining property owners informs them of how they can continue to receive notices and information through the environmental notice bulletin concerning the project as it is reviewed by the Secretary.

(C) The applicant furnishes by affidavit to the Secretary the names of those furnished notice and certifies compliance with the notice requirements of this subsection.

(D) The applicant and the Secretary or designee shall attend the meeting. The applicant shall respond to questions from other attendees.

(b) Additional notice.

(1) The Secretary may require, by rule or in an individual case, measures in addition to those directed by this chapter using any method reasonably calculated to give direct notice to persons potentially affected by a decision on the application.

(2) In an individual case, the Secretary may determine to apply the procedures of section 7713 (Type 2) of this chapter to the issuance of a permit otherwise subject to the procedures of section 7715 (Type 4) or section 7716 (Type 5) of this chapter.

(c) Extension of deadlines. A person may request that the Secretary extend any deadline for comment or requesting a public informational meeting established by this chapter. If the request is granted, the Secretary shall provide notice of the new deadline through the environmental notice bulletin.

§ 7704. ADMINISTRATIVE RECORD

Subchapter 2. Standard Procedures

§ 7711. PERMIT PROCEDURES; STANDARD PROVISIONS

(a) Notice through the environmental notice bulletin. When this chapter requires notice through the environmental notice bulletin:

(G) when a public meeting has been scheduled, the time, date, and location of the meeting and a brief description of the nature and purpose of the meeting;

However, if the applicant has provided written notice to adjoining property owners as part of the preapplication engagement process for complex projects under rules adopted in accordance with subsection 7703(a) of this title, then instead of the written notice required of the applicant by this subsection, the Department shall provide notice of the application through the environmental notice bulletin to those adjoining property owners who have requested notice.

(2) The applicant or applicant's representative and the Secretary or designee shall attend the meeting. The applicant shall cause to be present those professionals retained in the preparation of the application. At the meeting, the applicant and the Secretary each shall answer questions relevant to the application or draft decision to the best of their ability.

(g) Response to comments. When this chapter requires the Secretary to provide a response to comments, the Secretary shall provide a response to each comment received during the comment period and the basis for the response. The Secretary also shall specify each provision of the draft decision that has been changed in the final decision and the reasons for each change. The Secretary shall post the response to comments to the environmental notice bulletin and send it to all commenters.

(h) Final decisions; content; notice.

(1) The Secretary's final decision on an application for a permit or on the issuance of a general permit shall include a concise statement of the facts and analysis supporting the decision that is sufficient to apprise the reader of the decision's factual and legal basis.
